OF APPLICATION - NO FILING DATE**

Sir:

This is a petition to withdraw the Notice of Incomplete Application and To File Missing Parts of Application - No Filing Date issued in the above-identified patent application filed pursuant to 37 C.F.R. 1.53(b)(1) on July 18, 2003 (a copy of which is attached hereto). The application has been held incomplete for failure to file a complete set of drawings. As an attorney of record in this application, I submit herewith a Declaration by Jessica Rojas to establish that a complete set of drawings (4 sheets, Figs. 1-6) was timely filed on July 18, 2003, along with the other application papers. Specifically, that such complete set of drawings was filed

by Certificate of Express Mailing on that date, in an envelope properly addressed and mailed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, and was actually received in the USPTO on July 18, 2003, as evidenced by the return postcard.

Applicant encloses the requisite petition fee of \$130.00; however, Applicant respectfully requests that this amount be credited to Applicant's attorneys deposit account No. 04-0100 since Applicant respectfully contends that the present documentation clearly establishes that 4 sheets of drawing figures were filed with the other application papers and through no error by the Applicant these figures have become misplaced at the USPTO. Since, Applicant fully complied with the rules and should be entitled to a filing date, a refund of the petition fee is in order.

The Notice of Incomplete Application and To File Missing Parts of Application - No Filing Date should therefore be withdrawn and the filing date of July 18, 2003 should be formally accorded to the above-identified application and the 4 sheets of figures should be made of record and given the effect of the original filing date.

Dated: November 12, 2003
